We support our Local 399 Employees, as well as our Local 44 Shops and all our union customers. These are terrible times financially, and we are doing our best to keep the doors open while honoring our union brothers and sisters.

SHOPPING: Rather than close completely on Tuesday and Thursday, we can offer unassisted shopping. You may take photographs and self-tag, but we are not able to provide estimates or to confirm orders until we have a Local 399 employee available to you.

DOCK: If you confirm an order and arrange payment on a Monday, Wednesday, or Friday, you may make an appointment to pick-up on Tuesday or Thursday. You may also drop-off, by appointment, on Tuesday or Thursday, however, you will not receive close-out paperwork until your order can be checked in by a Local 399 employee the following day.

MANUFACTURING: Should you need custom work, our Local 44 shops remain *by appointment only*. We need as much advance notice as possible. These invaluable team members have gone to on-call, so we need to be fair to them and we ask for your patience with scheduling.

We know this will be challenging for our customers, and we will do all we can to accommodate you.

*If you need special assistance on a Tuesday or Thursday, there will be a labor charge of \$200

As always, we may be reached at 323-466-8201 and at orderdesk@omegacinemaprops.com
